

# Recent BT patents

The following tables list recent BT patents, published or granted, under three headings — published International (PCT) patent applications by BT, US patents granted to BT, and European patents granted to BT. These listings will be updated each quarter.

| The following International (PCT) patent applications by BT were published between 1 January 1999 and 31 March 1999 |            |                                                               |                                                                                      |
